Re: SEC v. Galleon Management, LP, et al., 09 Civ. 08811 (JSR)

Dear Judge Rakoff:

We respectfully submit this letter on behalf of Schottenfeld Group LLC, a defendant in the above-captioned matter, with respect to the motion of the Securities and Exchange Commission (the "SEC") to compel defendants Raj Rajaratnam and Danielle Chiesi to produce wiretap materials in their possession.

Schottenfeld Group LLC takes no position on the motion brought by the SEC, but seeks to join the letter submitted by defendant Robert Moffat dated January 27, 2010. That is, to the extent the Court orders defendants Rajaratnam and/or Chiesi to produce the wiretap materials to the SEC, or authorizes the United States Attorney's Office to do so, we respectfully request that the Court direct that all parties to the litigation be provided with copies of those materials. Needless to say, the selective production of potentially important evidence would be unfair and subvert the discovery process.

Schottenfeld Group LLC reserves all of its legal and procedural rights relating to the wiretap materials that are the subject of any ruling of the Court.

Respectfully,

Kenneth M. Breen
